Barrington Education Foundation Presents

EXTRAORDINARY TEACHING AND LEARNING: A STUDENT SHOWCASE

**Saturday, December 9, 2017
2:00pm-4:30pm
Barrington High School**

For Students, Parents/Families, and the Barrington Community
No Charge

How are the Barrington Public Schools preparing our children to be creative, collaborative, critical thinkers and problem solvers? Come see for yourself!

Students and teachers across K-12 grades will share exhibits that highlight the deeper learning they are experiencing in our schools. You'll be amazed at what 21st century learning looks like.

Showcase will include:

- Student displays and presentations on kinetic sculpture, digital music, Lego WeDo, tiny houses, robotics, the Sunrise Studio, the iCreate lab and much more!
- Design Thinking Challenge for all ages in the drop-in Makerspace
- Presentations by education professionals

Don't miss out on this unique opportunity to get an up-close look at the transformative learning happening in our schools!
