

# Is your family registered?

The Primrose Hill PTO subscribes to a family and faculty system for staying in touch with one another, managing PTO sales and volunteering efforts and more. You only need to register your student one time. As your children move up to other schools in our district, your entry will travel with them to those schools' accounts.

*Note: Registered families should have received an email to confirm their data for the new school year. If you think you are already registered and didn't receive an email, reach out to [PrimroseHillDirectory@gmail.com](mailto:PrimroseHillDirectory@gmail.com).*

## Why Register?

Only families registered will have access to:

- The Primrose Hill PTO Family Directory
- PTO News and Announcements
- Room Parent Email Messages
- Primrose Hill Volunteer Signups
- The Primrose Hill PTO Store
- Primrose Hill PTO Purchase History

## How to Register

Register your family at: [Join.MySchoolAnywhere.com](https://www.joinmyschoolanywhere.com).
